

HEINE, E.

1 July 1963

SUBJECT: 1 July 1963 Meeting with J. RAUS.

1. Undersigned met with J. RAUS on 1 July 1963 in a downtown cafe from about 1130 to 1230 hours over lunch.

2. ITEMS DISCUSSED:

a. RAUS turned over to the undersigned approx 300 cards on Estonian personalities. He also turned over various material from which the cards had been typed.

b. Undersigned turned over to RAUS the following material from which names are to be extracted:

- 1) 1953 BUS Membership List
- 2) 1957 " (national)
- 3) 1957 " (international)
- 4) 1960 Rotalia List
- 5) 1963 Tartuensis List
- 6) Veitlaia address list
- 7) Candidate list from Canada

c. A sum of \$123.40 was passed to RAUS for his wife in exchange for the 57 hours of typing performed by her. A signed receipt was obtained from J. RAUS for this amount.

d. RAUS reiterated, in response to my query, that the FBI agent with whom he had met, Mr PAYNE, did not make any arrangements for any future meetings although RAUS had indicated his willingness to be of assistance in the future, if necessary.

e.

Vello KUMSA.

a USIA employee (on the Estonian VOA desk) mentioned to J. RAUS that he had learned that H. KUMSA (Vello's brother), Kaika POPE, and J. KORK are in contact with US intelligence. RAUS did not gain the impression that V. KUMSA is spreading this information to anyone else and mentioned this only "in confidence". (NOTE: Undersigned did contact H. KUMSA who is probably V. KUMSA's source of information.)

f. RAUS reported that

E. HEINE

is trying very hard to spread rumors to the effect that E. HEINE is being unjustly accused of being a Soviet agent. HEINE is pointing the finger, without specifying the persons involved, at Baltimore and NYC in which cities irrefragable individuals reportedly denounced HEINE to the US government. RAUS further reported that
